PROFESSIONAL EXPERIENCE

WattMonk | Gurugram, *SEO Content Specialist* | June 2025 – Present (Serving Notice Period)

- **Multi-Brand Content Strategy:** Formulated and owned the end-to-end B2B content marketing architecture, copywriting, and brand voice guidelines for the parent firm and 4 distinct solar-tech ecosystems: **WattMonk** (US B2B engineering), [Ensight Services](#) (field surveys), [WattPay](#) (AI SaaS), [Solar Agent Hub](#) (AI agent platform), and [PlanSetIQ](#) (AI-driven solar design software).
- **High-Yield Revenue Campaigns:** Partnered with leadership to combat pricing erosion by writing the complete full-funnel content kit for the Q1 Bulk Packages campaign (spanning 42+ SKUs); authored high-converting landing pages, 8-stage sales email sequences, sales pitch scripts, objection-handling copy, and Google Ads assets that drove **15,000+ services sold (\$1.5M–\$2M total revenue)**.
- **Product Marketing & Launches:** Co-led the GTM content strategy for [WattPay](#), [Solar Agent Hub](#), and [PlanSetIQ](#); structured dual conversion-focused product landing pages, targeted cold outreach frameworks for solar financiers (onboarding major partners like QCells), and coordinated PR editorial content published in *Solar Power World*.
- **Organic Performance & SERP Growth:** Engineered an aggressive SEO/GEO/AEO framework utilizing Semrush, Ahrefs, and Surfer SEO that scaled visibility to **404k total impressions and 6.99k total clicks**, elevating ranking blocks from page 100 into the top 10/Page 1, and successfully positioning web assets within AI Overview snippets.

- **AI Tool Development & Shipped Production:** Collaborated directly with the engineering team to map technical features, define requirements, and write system prompts for an in-house [AI Blog Generator](#) and [AI Social Post Generator](#) live in production; manually managed, humanized, and vetted outputs to maintain perfect brand alignment.
- **Zero-to-One Growth (Ensite Services):** Built the content pipeline for Ensite Services from the ground up in 8 months; authored all Webflow website copy, structured outbound cold prospecting templates via Apollo.io, launched a 5-platform social media calendar, and executed parallel B2B lead gen and employer branding content.
- **Trade Show & Event Marketing:** Scripted and developed multi-brand physical booth strategies, promotional brochures, digital backdrops, and physical sales enablement collaterals for major industry expos including **RE+ 2025 & 2026 Houston** (WattMonk) and **IRE Las Vegas 2026** (Ensite), generating over **400+ high-value leads with a 20% conversion rate**.
- **Webinar & Video Production:** Co-wrote scripts and fully conceptualized the digital assets for high-authority industry webinars (e.g., *AI in Solar* via Solar Builder Magazine and the *Ensite Survey App Launch*); developed YouTube video scripts, recorded product demo audio/video storyboards, and designed visual presentation decks for C-suite delivery.
- **Website Transformation:** Spearheaded the total content and copy overhaul for the end-to-end website migration from WordPress to Webflow, restructuring technical SaaS value propositions and building out brand-new product pages.
- **Email Optimization:** Redesigned the messaging hierarchy and CTA placements for weekly newsletters and outbound drip tracks, doubling email **Click-Through Rates (CTR) from 7% to 15%**.

Karam Safety Pvt Ltd | Noida, UP *Senior Content Writer (E-Commerce)* | April 2024 – June 2025

- **E-commerce Optimization:** Developed high-converting Amazon PDP and A+ content, maintaining a cohesive, strict brand voice to maximize marketplace visibility and buyer trust.
- **Brand Alignment:** Set and enforced rigorous internal content vetting guidelines, managing graphic design workflows to ensure alignment across digital campaigns.
- **Cross-Functional Collaboration:** Partnered with product and marketing teams to establish a 30% increase in content production efficiency by mapping assets to distinct digital user funnels.

Full-Time Freelancer | Remote *Content Writer & Strategist* | July 2023 – April 2024

- **SEO Operations:** Conducted comprehensive competitor analysis and keyword mapping utilizing Ahrefs and Semrush to deliver customized, high-ranking landing page assets for diverse global clients.
- **Content Distribution:** Boosted content lifecycle value by strategically repurposing long-form technical blogs into localized social media campaigns, newsletters, and lead-generation emails.
- **Content Publishing:** Managed end-to-end content layout and publishing natively on WordPress, ensuring proper styling, layout readability, and technical on-page SEO.

Zapminati Marketing Private LTD | Noida, UP *Content Editor* | February 2023 – July 2023

- **Workflow Optimization:** Partnered closely with operations teams to streamline editing workflows, reducing content revision turnaround time and improving team efficiency by 30%.
- **SERP Optimization:** Implemented strict on-page optimization standards across WordPress sites, capturing a 25% increase in net organic traffic within five months.

- **Conversion Rate Optimization:** Improved call-to-action (CTA) effectiveness through data-backed copywriting tweaks, driving a notable increase in multi-channel click-through rates.

SDAD Technology | Noida, UP *Content Writer* | November 2021 – January 2023

- **Audience Engagement:** Enhanced user retention and decreased site bounce rates by leveraging data-backed content mapping, resulting in a 30% lift in total organic traffic.
- **Paid Ad Support:** Wrote conversion-focused Google Ads copy and captivating social media captions that generated 8% more clicks and improved overall campaign CTR by 27%.

Affixious Consultancy Pvt. Ltd | Noida, UP *Content Writer* | April 2021 – November 2021

- **SERP Strategy:** Coordinated with the core SEO division to identify trending search patterns, adapting landing page and campaign copy to capture top 3 SERP rankings.
- **Campaign Copywriting:** Drafted targeted copy for high-impact social media marketing, digital newsletters, and product feature listings to expand early brand awareness.
